

**Audiovisual Media Library Satellite  
Located at the  
San Pedro MST Center**

The Van Nuys Math/Science/Technology Center, thanks to the cooperation of the Mathematics and Science Los Angeles Systemic Initiative (LASI), is being used as an Audiovisual Media Library Satellite for the pickup and return of materials.

**Teachers using this satellite must first have placed an order with the AV Media Library at 1545 Wilshire Blvd. Materials must be picked up and returned on Mondays.**

**Please direct questions about ordering to the AV Media Library at (213) 207-2231, not the Satellite.**
